

TOWN of LINCOLNVILLE UNCLAIMED PROPERTY LIST

Unclaimed Property consists of money and other personal assets that are considered lost or abandoned when an owner cannot be located after a specified period of time. It includes checking accounts, certificates of deposit, over payments, gift certificates, paid-up life insurance policies, unpaid wages, commissions, uncashed checks, death benefits, dividends, insurance payments, money orders, refunds, savings accounts, stocks and contents of safe deposit boxes. Unclaimed Property does not include real estate, animals or vehicles.

Dear Neighbors of Lincolnville,

As I was going through the Maine State Treasury's Unclaimed Property List, I discovered many residents of Lincolnville who have been on this list for many years, **but are not included** in the annual list of names that get printed in the local newspaper. In the interest of trying to get every penny of unclaimed money out of the State Treasury and into the hands of the rightful owners, I have sifted through the list and compiled the names of residents and former-residents of Lincolnville who appear on this list. Some of these individuals may be deceased, but surviving relatives with the proper documents can also claim this money.

It is very easy to make a claim if your name appears on this list. If you have an internet connection, simply go to <http://www.maine.gov/unclaimed>, click "report claim" and follow the directions from there. You can also make a claim over the phone by calling the State Treasury's Office directly at **888-283-2808** or **207-624-7470**. Good luck!

Sincerely,

Courtesy of
