

**TOWN OF LINCOLNVILLE  
SELECT BOARD MEETING  
May 20, 2024**

**Present:** Chair Ladleah Dunn, Vice-Chair Keryn Laite, Jr., Mike Ray, Robyn Tarantino, Steve Hand and Town Administrator, David Kinney

A joint meeting was held at the Northport Town Office with the Northport Select Board. Present for the Town of Northport Select Board included Janine Tucker, Breeana Bebb and Molly Schauffler. Other Northport representatives included Northport Town Administrator James Kossuth and Finance Director Vicki Eugley.

1. **Introductions:**

Everyone provided a self-introduction.

2. **Discussion regarding items of mutual interest:**

The discussions centered around the Maine Department of Transportation's proposed projects for Route 1 particularly the project set forth in the MaineDOT Work Plan that starts in Lincolnville (near Carver Lane) and extends into Northport (ending near Catching Cove Road). Public safety was primary focus. It was agreed by consensus that the two towns working together would likely be more beneficial when working with MaineDOT then either town going it alone. It was agreed to have the Town Administrators draft a letter from both Towns for the Select Boards to consider at their upcoming meetings indicating that the communities would like a seat at the table with MaineDOT as the projects are planned.

No motions were made or votes taken.

Thanks were extended for hosting the meeting and for the home baked treats provided by the hosts.

3. **Adjourn:** Motion by Laite, second by Hand, to adjourn. Voet: 5-0.

Respectfully submitted,

---

David B. Kinney  
Town Clerk
